The Enclosed Garden has a Picnic Table and Barbecue and the large field in front of the house is ideal for games and kite flying. In the school holidays we may be busy with campers but as visitors are allowed only round the edges of the field there is no obstruction to your view. There are swings, a small shop, a pool table and telephone on site.

Within less than an hour's drive there are many places of interest to visit including picturesque Clovelly, the pretty fishing village of Boscastle, the Launceston Stream Railway and the Legendary King Arthur's castle at Tintagel.

There are also several National Trust and English Heritage properties, gardens, nature trails, the Tamar Otter Park and the famous Coastal Footpath. For cyclists there are plenty of quiet country lanes and the breathtaking Camel and Tarka Trails.

The unspoilt sandy beaches of the North Cornish Coast, reputedly amongst the best in the country, offer good surfing and other watersports, and the main beaches are patrolled by life-guards throughout the holiday season. Dogs are allowed year round on South Beach (Widemouth Bay), Summerlease Beach (Bude), Duckpool, Sandy Mouth & Northcott Mouth. On the North Beach (Widemouth), Crooklets (Bude) & Crackington Haven dogs are not allowed from Easter to 1st Oct.

Local recreational amenities include tennis, golf, riding and a choice of fishing, and for families there is the popular 'Splash' Leisure Pool just five miles North in Bude and a recently opened Ten Pin Bowling Alley. Please Note: It is advisable to travel to Penhalt Farm by car as public transport is inadequate.
